

**Before the Exam**

What have you done or will you do to prepare for tomorrow's test?

	Have done already	Will do by tomorrow
Nothing		
Read my notes		
Read the book		
Integrated text material with lecture notes		
Reworked old homework		
Worked new problems		
Saw professor/TA		
Worked with tutor		
Worked with others		
Predicted exam questions		
Made study guides, concept maps, or flashcards		
Quizzed myself without the use of any study aid		
Other? (specify)		

Estimate the time spent preparing:                      So far:

By tomorrow:

About which part of the exam are you most worried?

About which part of the exam are you most confident?

How much sleep do you expect to get tonight?
