Exams: Midterms (10/4, 11/5, 12/1)
Final (Wednesday, Dec. 8, 2 PM)
Text: A First Course in Probability, eighth edition, by Sheldon Ross
Grades, etc: Homework and Quizzes 10%, 3 midterms (best two scores count 25% each, lowest midterm score is dropped), Final exam 40%
I will use the + grading system: A, A-, B+, B, B-, etc.
After course averages are computed I will construct a curve to determine letter grades. I will not "curve up" so you can be assured that a 90 or above average will be at least an A-, an 80 or above average will earn at least a B- and so on.

Students with Disabilities: The University of Texas provides appropriate academic accommodations for qualified students with disabilities. For more information, contact the Office of the Dean of Students at 471-6259, 471-6441 TTY. If you plan on using accommodations, you need to notify your Instructors early in the semester.

Religious Holidays: By UT Austin policy, you must notify me of your pending absence at least fourteen days prior to the date of observance of a religious holy day. If you must miss a class, an examination, a work assignment, or a project in order to observe a religious holy day, you will be given an opportunity to complete the missed work within a reasonable time after the absence.
