In addition to the Sanger Learning Center’s general academic support services (see services attached services list), we offer two types of support for students in lower-level mathematics courses:

1) Math refresher/review classes to support students' preparation for their courses/exams (calendar attached):

Five early-semester refresher classes:
- Algebra Refresher (2-day) - Tue, Wed (9/5, 9/6), 6:00-8:00pm; JGB 2.324
- Algebra Refresher (3-day) - Tue-Thur (9/5 - 9/7), 6:00-7:30pm; PAI 3.02
- Calculus Refresher for M408D - Tue-Thur (9/5 - 9/7), 6:00-7:30pm; CLA 0.126
- Calculus Refresher for M408L/S - Tue-Thur (9/5 - 9/7), 6:00-7:30pm; UTC 3.132
- Trigonometry Refresher - Mon-Wed (9/11 - 9/13), 6:00-7:30pm; PAI 3.02

(Due to the pace of the Algebra Refresher classes, they are more appropriate for students entering M408C/K/N than for students entering M305G.)

Seven mid-semester exam reviews for M408K and M408L (a third exam review for M305G):
- M408K First Exam Review - Sun, Mon (10/1, 10/2), 6:00-8:00pm; WCH 1.120
